

3-2-1 Magic Mug Cake

(basic recipe)

Directions:

- In a mug or disposable cup, stir together **3** tablespoons of “magic” cake mix** and **2** tablespoons of water. Throw in a few candy add-ins and/or **1** tablespoon of syrup, if desired. Stir to combine.
- Microwave on high for **1** minute.
- If using frosting, now is the time to add a dollop. Instead of frosting, syrup can be used as a topping. Eat right out of the mug/disposable cup with a spoon.
- Singing “Happy Birthday” is optional, but encouraged.

**Magic Cake Mix is made with one box of Angel Food Cake mix combined with one box of Devil’s Food Cake mix.

3-2-1 Molten Lava Mug Cake

Directions:

- In a mug or disposable cup, stir together **3** tablespoons of magic cake mix and **2** tablespoons of water. Push three chocolate drops, one on top of the other, into the center of the batter. The cake will rise around the chocolate pile, so don't worry if some of the chocolate is not submerged.
- Microwave on high for **1** minute.
- The cake can be eaten right out of the mug/disposable cup.

3-2-1 Hot Chocolate Mug Cake

Directions:

- In a mug or disposable cup, stir together **3** tablespoons of magic cake mix and **2** tablespoons of water.
- Add **1** tablespoon of chocolate syrup. Stir to combine. Allow to sit for about **1** minute, then sprinkle with **1** tablespoon of chocolate chips.
- Microwave on high for up to **1** minute until cooked.
- Top the hot cake with one tablespoon of marshmallow cream and a squirt of chocolate syrup. Then eat it right out of the mug.
